Instructions For Making Your Application

1. Take your time completing your application. There is a lot at stake.

It is expected that it will take about 2 – 3 months to complete the 10 verified aviation attendances. Remember, that the person verifying the attendance must be a senior member of the industry – such as Young Eagles Leader, Air Cadets Leader, Senior Club Member, Flight Instructor, Airline Pilot etc. They must be contactable.

Attendances could be flight deck visits, Young Eagles or Air Cadet meetings, aero club activities, washing aero club planes, trial flights etc

This will give you plenty of time to thoughtfully complete the application form. If you need more room to answer any questions, please add extra sheets of paper and clearly mark which question is being answered on the sheet of paper.

When you finally have everything in order and ready to send, please email all documents to hello@pauwelsflyingsscholarship.co.nz and put in the subject line 'Scholarship Application'.

1. Know the criteria for the Special Award. Please don't apply if you don't match the criteria.

Much as we would like to award everyone, it's simply not possible.

- We are looking for disadvantaged and/or underrepresented young people from New Zealand.
- You **MUST** be a New Zealand citizen or a permanent resident of New Zealand.
- We are looking for proven passion and motivation.
- Ideally, you will be between the ages of 15 and 20, however, we will consider older applicants on a case by case basis (circumstances must be exceptional).
- You **MUST** be able to gain a Class 1 aviation medical certificate.

2. Be Honest

Every application is checked by our researcher, Melissa. Don't mess with her! She can find out what you eat for breakfast and what colour your undies are! But seriously – *Any discrepancy discovered can void the entire application.*

3. Any Decision of the Pauwels Flying Scholarship is final.

John Pauwels makes all the decisions and as it's his Scholarship, we think that's fair.

We wish you all the very best with your application.
